Re: Mr. Jake Gruber

To whom it may concern:

As the Engineer for the Incorporated Village of Freeport, I work closely with many government organizations and consultants. I had the pleasure of working with Mr. Jake Gruber during our disaster recovery after the Mach 13, 2010 wind storm. Mr. Gruber was a dedicated advocate for the Village of Freeport in our attempts to recover from the damage to several Village owned properties and infrastructure.

Mr. Gruber's dedication and organizational skills were invaluable to the Village and in my opinion were essential in receiving our fair and equitable compensation for our damages. Accordingly, I would highly recommend Mr. Gruber for his knowledge and skills as an adjuster.

Very truly yours,

Robert R. Fisenne, P.E.
Village Engineer
